

October 2017 Populace Notes

Upcoming Events:

October 22 – Stag's Con – for Officers and those interested in learning how the SCA functions (Caerthe)

Oct 22 – Peanut Festival Demo (Shire of Blackwater Keep)

Oct 28 – Feast of St. Goliath (College of St. Goliath)

Baronial Updates:

-Fontaine held Warders of the Western Gate last weekend. Due to the copious amounts of rain, the site was moved away from Piper's Keep to Riverwalk Park in Bloomfield. The Site was perfect for our need – well done Mistress Alamanda, Lady Wyolet, and Your Ladyship Mariah in finding a perfect new site on such short notice!

The new Argent Warder (Archery) is Master Angus.

The new Azure Warder (Rapier) is Lord Marius – recently of Atlantia, I believe. He will soon realize he belongs in Fontaine.

The new Sable Warder (Heavies) is Lord Yosef.

The new Vert Warder (A&S) is Lady Eibhleann

The new Wee Warder (child) is Illea.

-Several officer positions are still open. The Chronicler, Quartermaster, Minister of Lists, and Voice Herald are still open for letters. If you are interested in one of these positions, please write a letter of intent, and send it to the Seneschal, Baron, and Baroness.

-The Social Media coordinator and Minister of Children has stepped down, so those two offices are also open for letters. If you are interested in one of these positions, please write a letter of intent, and send it to the Seneschal, Baron, and Baroness.

-No bids were presented for 12th Night. The Baron and Baroness will determine whether 12th Night will be held given the lack of bids from the Populace.

-THL Mariah is now green carded as Fontaine's second Cut and Thrust fighter!

-A reminder to renew your membership. The camping events are done for the season, but that just means Feast season is upon us! Be ready to fight and feast across the Outlands as we enjoy the ending of the year and the preparations for Estrella WAR!
