## The Society of Creative Anachronism, Inc. – Barony of Fontaine dans Sable

In the general discussions at this meeting, it was decided to postpone Warders for one more year. At this time, finding an appropriate site, dealing with possible last minute cancelation of a weekend event if pandemic conditions persist through the summer, and low participation numbers in the Barony make planning for such an event not feasible.

We would like to pursue doing a demo Pageantry in the Park in late April or May, details on this to be worked out!
