

## February Business Meeting 2/5/2023

### Minutes

Their Excellencies Isabella and Rowland started off the meeting with an update on Winter Coronation, and a “congrats” to Master Duncan for his admittance to the Order of Defense. Their Excellencies also received permission to step down sometime in the coming months. Be on the lookout for an announcement for letters of intent.

### Officer Reports:

Knight Marshal- Not much to report. Had practice for the first time in a while last week. There is good news, the requirements for fighter authorization have changed so a knight is no longer required! There has been talk of working with Rio to do an authorization day.

Rapier Marshal- Again not much to report. For those that are participating in the reduced armor requirement experiment there are new reporting guidelines. Please see Master Angus if you are interested or need the link to the report.

Archery- With Robyn Raymundsdattir moving to al-Barran we are losing our archery range. His Excellency Rowland will be looking for a new site. Other than that nothing to report as practice has not been held for a while.

Exchequer- Will be updating the Baronial Financial Policy, especially the Coronet Travel Fund section. There will be a Finance Committee meeting next week to start discussing the Financial Policy. The Barony has also received a generous donation. Thank you to the donor!

A&S and Heraldry will be meeting to host a combined crafting session and heraldry consultation night, hopefully this month. Stay tuned for more information!

Currently we are looking for the following positions to be filled: Chatelaine, Minister of the Lists, Quartermaster, Scribe, deputy Seneschal, deputy Exchequer, and deputy Rapier Marshal.
