

Greetings good gentles of Fontaine!

Here is the run-down of all the business that was discussed at the November populace meeting.

Lady Adriana Lopes de Rodas has successfully completed her warrant as seneschal of Fontaine. On behalf of the Barony, thank you for your steadfast service during the past two years, which have been some of the most difficult times we have seen. You are amazing!
After Lady Adriana was released from her oath of service, Mistress Elizabeth Anne Grene was sworn in as the new seneschal of Fontaine..

- Archery practice starting time will be pushed back to 11:00am on Sundays

Our Toy Box event, which was a fundraiser for the local animal shelters, was held at the home of Lord Fergus McCain and Lady Aedhagan of Min An Aoire. Thank you so much for your hospitality!

The Protector of the Children Rapier tournament fielded Lord Christoff Trost, Master Angus MacFarlane, and Lord Thorn Arthurson. Lord Jajorgenson served as the marshal. In the end, Lord Christoff was victorious. Huzzah!

The Defender of the Children Armored Combat tournament was postponed until next year. As Lord Thorn was the previous years champion, he will continue to hold the position and the regalia until then.

The Sentinel of the Children Archery tournament fielded The Honorable Lord Wilhelm Reissen, Lady Myra, Lord Jajorgenson, Lady Adriana, Master Angus, Mistress Elizabeth, Lord Bogdan, and Lord Kristoff. The target scoring was reversed, where the white was worth 5 points and the yellow worth 1 point. In the end, Master Angus was triumphant. Huzzah!

The Dessert Competition champion was Don Walker with his apple spice cake. Yum-Yum Huzzah!

The Animal Shelters of Farmington and Aztec received several donated items from our group including blankets, towels, food, and toys for all the fur babies. Thank you all for your generosity!
