

Warm seasons greetings to the good gentles of Fontaine!

Here is the run-down of the December 2018 populace meeting:

GREAT NEWS!

We will continue to hold our populace meetings at the current location through May!

Huzzah!

Thank you Your Ladyship Wyolet for your diligence.

Please visit our cousins for good food and good times at al-Barran's Midwinter and WAR Practice!

December 15th and 16th.

Remember: The WAR Practice held on Sunday will be our closest opportunity to attend a War Practice before Estrella. Don't pass up the opportunity to spar with Outland's greatest warriors!

Go for the feast – Stay for the WAR Practice

'Tis the season to spend time with family and loved ones indoors... by a warm cozy fire... yeah... that's nice... let's do that....

For the month of December all Baronial activities (fighter practice, archery, A&S, gab and garb) will be canceled in favor of staying warm and overeating.

Rio's Yule Revel was well attended, and everyone had a wonderful time!

The feast was delicious, and the company was cherished.

Thank you, Rio, for your hospitality and friendship.

RIOOOOOOOOOO!!!!
